Family Connections is a leading New Jersey non-profit with over 30 different programs to support children, adults, and families. Far too many people in our communities face serious challenges—from trauma and mental illness to addiction, domestic violence, and child abuse. Family Connections is here to make sure no one has to face these challenges alone. Across Northern New Jersey, we deliver counseling, social and emotional skills-building, prevention and training initiatives, programs to strengthen family bonding and reunify families, and more. **Since 1879**, Family Connections has proven that communities thrive when everyone is invested in each other's wellbeing.

Our Mission: Growth happens here every day. With our counseling, skills-building, training and prevention services, people take control of their own healing and foster connections that make our entire community stronger, safer, and healthier.

Our Vision: We see a world where no one faces life's challenges alone—where we all have the opportunities, connections, and resources we need to thrive.

Our Core Values: We strive every day to be:
Inclusive | Strengths-based | Relationship-driven
