Mission

Growth happens here every day. With our counseling, skills-building, training and prevention services, people take control of their own healing and foster connections that make our entire community stronger, safer, and healthier.

Vision

We see a world where no one faces life's challenges alone—where we all have the opportunities, connections, and resources we need to thrive.

Who We Are

Far too many people and families in our communities struggle with serious challenges—from trauma and mental illness to addiction, domestic violence and child abuse. Since 1879, Family Connections has been here to make sure that no one faces these challenges alone. Every year, our highly-trained staff and cutting-edge programs support thousands of people across Northern New Jersey on their paths to healing. Together, we can build a **stronger, safer, and healthier** New Jersey. Change lives, get involved. and support us at FamilyConnectionsNJ.org.

*Become an event sponsor **today** and join Family Connections in a toast to supporting our life-changing work - where hope meets possibility.*

Programs and Services

While some of our programs and services enjoy sufficient funding, we strive to direct your contributions toward vital initiatives such as our Domestic Violence Services and School-Based programs. Some of our programs are currently underfunded, and your support will make a meaningful impact on the lives of students and families we aim to uplift through these essential services.

Outreach and Awareness

All funds raised at A Toast to Hope will play a critical role in sustaining the essential programs that families and individuals rely on every day. These resources will support strategic outreach, marketing, and community engagement efforts that strengthen long-term visibility, participation, and funding stability.
